considered. The Hon Secretary was instructed
to write the Hon Secretary of the R.R.A. & the Club's
Delegates, stating this Committee to be of opinion
the ride should be passed at 1.53.40 or 1.54.00.

The Meeting considered the position arising
out of the giving of notice by Mr St. Snyor, a
first class Member, for an attempt (successful)
upon R.R.A. Record in the name of another
Club. After full consideration of the facts
and of a letter received by the President from
Mr Snyor wherein it was stated that he (Mr Snyor)
was "fully prepared to withstand ^{any} consequences"
and that his action was no different from
his policy of the whole year during which he
"had acted against A.P.C. policy in many ways".

it was Resolved, with one dissentient —
 "That this Meeting of the Committee of the
 Liverpool Bicycle Club congratulates Mr H
 Pryor upon his fine tricycle ride of Saturday
 last, but it is the opinion of the Committee,
 respectfully arrived at, that Mr Pryor, a
 first class member of the A.B.C., by making
 an attempt upon a Record, (already held
 by another first class member) under the
 name of another club has acted in a
 manner derogatory to the best interests of
 the A.B.C. The Secretary, therefore, is hereby
 instructed to write Mr Pryor asking him
 to tender his resignation within seven days,
 failing which the Secretary be instructed
 to call a Special General Meeting
 under Rule 20 to deal with the matter."

It was also Resolved that Mr A. Warburton
 be asked to tender his Resignation
 within seven days on the ground that he
 had acted in a manner derogatory
 to the best interests of the A.B.C. - failing
 which the Secretary be instructed to
 call a Special General Meeting to
 deal with the matter. (This Resolution,
 proposed by S. Kinder, seconded by T.D.
 McCann, was carried near ca.)
