Letter received from Stan Wild informing the Committee of his pending departure to Benhill-on-Sea. At the same time he made a request that he be allowed to have a Club Medal for his attendance prize of a few years ago - as a memento of years with the Club.

After consideration it was decided that a medal was not a suitable as an attendance prize. However as Mr Wild had given his services freely in timekeeping and other ways it was decided to award him a silver medal of the Club die "for services rendered". Minutes of a Special General Meeting held at the Derby Arms Hotel, Halewood, 5th February 1955.

"That Sunday runs shall commence on April 17th 1955".

The motion was carried and it was RESOLVED accordingly.

1. That Saturday runs continue to receive every possible support.
2. That Anfield standards applying now to Saturday runs shall apply to Sunday runs, particularly in regard to catering.

METHOD.

1. That only one meal each Sunday should be the official run, either lunch or a tea but not both. If and when large attendance warrants it in the future, this may be amended.
2. That the meal should be ordered in advance.
3. That times for lunch be 1 o'clock and for tea 5 o'clock both being reasonably closely adhered to.
4. That generally for the time being, lunch runs be arranged to suit riders in the particular time-trial supported on that day.
5. That alternative fixtures may be arranged to permit runs in Wales and Derbyshire.
6. That only one run per week-end shall count for Club-run attendances, i.e. either a Saturday run or a Sunday run but not both.

The Open "100". The Open "100" Secretary emphasised the difficulties he had experienced in promoting this year's open "100". He pointed out that there appeared to be a lack of interest in the event within the club itself as was evident from the small number of members actually present at Whit weekend. He also suggested that he thought it desirable that some kind of plan or programme or standing instructions be formulated to enable anyone to take over the running of the event with the minimum amount of inconvenience.

The Meeting agreed with this suggestion and Mr Reeves undertook to arrange same such plan and submit it for approval.
