Accounts are as follows:

The meeting closed  
at 12.50 pm

A.P. Puller

Minutes of the Annual General Meeting  
at the Pottenhall Recreation Club on  
Saturday the 7th October, 1995  
Commencing 2pm.

Present: M. Twigg, L. Nichols, C. Weaver, C. Clewly,  
B. Griffiths, K. Oum, D. Birchall, B. Bird,  
T. Williams, E. Davies, T. Pickles, W. Graham,  
D. Edwards, G. Cathrall.

Apothegies: J. Thompson, B. Lloyd, A. Bone,  
H. Moore, J. Williamson, J. Fuller, H. Catling

Minutes of last AGM: were read and accepted  
as a true record.

Matters Arising: Most old pattern jerseys  
now sold. The £60-80 lot on the  
sale of RTTC handbooks to be considered  
at next committee meeting and  
possibly written off.

The promotion of a road race on British  
Aerospac property has proved impossible  
as British Aerospac don't decide the date  
of their open day in time for the BCF  
date fixing and race handbook.

Hon. Sec. Report: Meetings had been well  
supported (attended) with an average attendance  
of 11.8% from a Committee of 18. T. Pickles  
and G. Cathrall had attended all 8  
meetings

On the matter of membership, information  
from the minute book showed that the club

had gained 4 new members during the year,  
but sadly we had lost Jack Hawkins &  
Jack Pitchford, two outstanding pre-war  
riders, who had passed away.

Generally duties had gone smoothly  
and B. Bird was thanked for producing  
printed matter when required.

It was pointed out that Anfield  
marshalling responsibilities for open Time Trials  
and Road Races had become an  
unreasonable burden for a small section  
of the membership. Requests for marshals  
usually come through the Secretary and  
when there is no committee meeting before the  
event (race) he sometimes has the <sup>unwanted</sup> ~~responsibility~~  
of persuading certain members at short  
notice. Since we know ~~our responsibilities~~ the  
dates of the events (races) well in advance  
the Secretary urged the committee to  
consider a fairer system of marshalling,  
involving a larger section of the membership.  
The meeting agreed that something  
should be done in time for the 1996  
season.

In a personal observation it was  
mentioned that the club is fortunate in  
having club officers performing their  
duties to such a good standard: race  
promotions, financial matters, social occasions  
and the excellent circular are all in  
expert hands, but the activity of actually  
riding bicycles as a sport and pastime  
is not at an all time high.

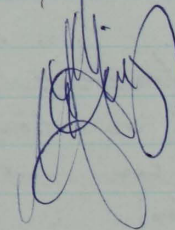

Treasurer's Report: The balance sheet showed a profit of £95 on the year. But for very generous donations and monies from the tea-tent the Anfield '100' would have made a big loss. The balance sheet will appear in the next circular.

Election of Officers: The following were elected.  
 President — M. Turgg  
 Vice Presidents — D. Birchall / J. Futtler 2,3  
 Secretary — W. Graham 4
