Correspondence Minutes of the West Council meeting for March had been received and contained the following: 1. That the winning team in the Association 12<sup>hr</sup> will receive medals. 2. That the Annual Dinner had made a profit of £102.50p. mainly due to the sale of draw tickets. 3. That an amendment

to their rule 3a had been accepted i.e. Consideration will be given to applications for membership of the Association from those clubs normally within the Liverpool D.C., or at the discretion of the Council meeting.

A letter from the LCCC gave details of their championships - qualifying events, and awards etc. with an invitation to affiliate and enable Anfield members to compete - at a fee of £10 - after minimal discussion it was rejected.

Mike Trigg had sent club details and a <sup>membership</sup> application to a prospective member in Buckley.

A letter from the D.C expressed concern about traffic lights on the course - it was decided an extra Marshall be positioned at Shorebush <sup>STAYBURY</sup>

Road works on the A11 would not be completed before June and Cliff Ash was in charge of amending the course - R. Crum hoped this would be done as soon as possible as he would like to complete the marshalling arrangements as early as possible.

Colin the 100 promoter, will contact Steve Doherty of the MRC re. a

Drinks Station.

Mike Twigg was reluctant to act as Course Marshall this year on account of a medical condition - Keith Drum volunteered his services.

Absent: C. Werner, B. Bird, C. Clewley

Minutes of last meeting: In connection with the open '100' it was pointed out that the extra Marshall was needed at Shawbury, and not at Shorebirch as recorded in the minutes. After this correction the minutes were accepted.

Correspondence: A cheque for £15 had been sent to the Secretary from Graham Barlow as a club membership subscription.

A copy of the minutes for the WCCA Council meeting on the 8th May indicated that the recent '25' and '30' promotions had gone smoothly despite a last minute change to the course in the '30'. It was noted that road works between Preece & Penhill would mean a course change and a 'leg' from Croxon Island to Broughton had been agreed upon for the 12hr event.

Treasurer: Information had been received that Peter Barton had retired from the presidency of the N.R.R.A and that Ian Wilkinson had taken over. Entry fees from the Anfield '100' had been deposited. The new Marshalling Vests (bibs) had been paid for. A cheque for £10 had been sent to Mrs Sykes - the cleaner/caretaker at the '100' headquarters. The Bulton Park Three Links subscription was still outstanding.

Recent rapid turnover of cheques meant that no balance of the account was available. Several cheques for the '100' fund had been received.

Captain: He had been asked by the Anfield '100' organiser (Colin Werner) to convey thanks to Keith Drum for handling the <sup>marshalling</sup> arrangements so well, & to all who had turned out on the day.

- ② Award for fastest <sup>only</sup> aggregate time in two 10's
- ③ A standard medal (Bronze, Silver or Gold) for anyone beating times as shown in the handbook in a club 10

Open 100: Amy Hoston had complained she had not had the extra Police Notification forms re the course amendment - Tony Pickles will write to Miss Hoston with the required forms.

Visitors at the 100 from Australia had shown an interest in the book about the Anfield history and a club jersey for their clubroom at home.

Ben Griffiths had drafted the 100's result - it was now ready for printing.

An entrant in the 100's had fouled the Dr Primrose School field - used as headquarters <sup>whilst camping</sup> and the Headteacher had shown great annoyance. Colin would write to the school apologising

and sending a donation <sup>of £75</sup> for the school fund. He would write also to the culprit expressing dissatisfaction and requiring a donation from him also. <sup>in future</sup> there will be a note in the <sup>next</sup> Start Card banning camping on the school field. It was suggested that the gates be kept locked until the morning of the event.

Dave Birchall reported that the sale of refreshments and four Black Anfielder books had realised £84. He ~~had~~ <sup>also</sup> received a letter from John Thompson regarding an alternative Headquarters for the 100's at Weston - under - Redcastle and some suggestions for changes to the prize list - he wondered whether additional prizes for event records i.e. Men, Women, Vets + and Trikes would add interest - there was only limited discussion about this and no decisions were taken.

The Committee was asked to give some thought as to what might be given as awards to Andy Wilkinson and Christine Roberts at the next Club Luncheon.

Editor: Give thanks for material sent in for the circular. He required a club run list up to the end of October, and reminded that the AGM would be <sup>in Oct.</sup> Social Sec: No reports, but Ben

Griffiths mentioned that the Chain Bridge Hotel at Langollen might be considered for the Autumn Tints Weekend. 105 Union Blvd  
Kitchener,  
Ontario  
Canada N2G 2K3

Eric who is 95 years old still looks forward to the Circular and has happy memories of cycling in England.

It was decided that all marshalls should get a start sheet for the '100' in future and all other members with the first circular after the event.

The outer cover of the '100' Start Card to be produced earlier next year in order to avoid hold-ups in handing out to competitors.

Keith Owen proposed a vote of thanks to the ladies in charge of refreshments and monies received at the '100'.

The matter of money outstanding on RTTC handbooks has ~~been~~ been resolved and is now closed.

C. Thompson, T. Pickles and Lee Nicholls will act as marshalls at the forthcoming BCF Division Championships.

Orders for new club jerseys must be in to the Treasurer soon with full payment.

Apologies: Received from J. Thompson, E. Davies, J. Williamson, A. Gunnerson, R. Orum.

Minutes of the 1995 AGM: were read + confirmed

Matters Arising: none.

The Hon. Sec. Report: This report is an attempt to give a broad picture of the Anfield during the last twelve months and as far as I can determine any facts and figures given are reasonably accurate.

My duties have been no more or less demanding than last year. Nine committee meetings had an average attendance of 10 from an elected 18.

Overall membership has dropped by 10 in the last 5 yrs. and now stands at about 80, 17 of whom are life members.

During the year the sad death of Peter Rock was reported. Peter was an outstanding life-member, given great support during a long illness, by his close and contemporary pal - Eric Reeves, himself a life member.

A prominent and very active member - John Thompson - now living near Bristol has resigned and joined another club, but remains as a second claim member of the Anfield B.C. On the plus side we have recruited two new members this year - Graham Barlow and Martin Cartwright, both of whom, according to reports, are strong and very promising riders.

Thanks to some very hardworking officials the club has undertaken a full range of ~~very~~ successful events and activities during the year. Two weekends away were well supported as was the club luncheon at Bickerton where Andy Wilkinson was the main guest.

We now have an established and growing mountain bike group who have enjoyed several 'off road' outings. Given approval by my doctor (G.P.) I'd quite like to try it myself.

A programme of club time trials was organised and run, but there are several active and healthy members who are not giving the promoter, timekeeper and other helpers, the support their efforts deserve. Let's hope more members will take part next season.

It's pleasing to be able to mention the excellent help and support given by so many of the club members for the Open 25 and Anfield 100. The Anfield 100 has a great history and has Classic

status. It is, possibly, I think, the oldest race of its kind in the calendar, we have something to be proud of, and it is to be hoped that it will continue for many years to come. We owe it to the countless Anfielders and friends who have organised and taken part in this great event throughout most of the last 107 years.

Recently, I took part in an Open Time Trial - and looking down the list of riders and clubs I saw Anfield B.C. against my name, it gave me quite a 'boost' I must say.

If one thinks about the scores of record breakers and outstanding riders throughout the long history of this great club, we have much to be proud of.

Treasurer's Report: A statement was submitted which showed a profit of £343.41 for the year. There was a loss of £79.99 on the Anfield 100 and a profit of £33.50 on the Open 25. The balance of bank accounts was as follows:

Current Acct	-	£343.94
High Interest Acct	-	618.90
Road Record Acct	-	545.68
'100' Fund Acct	-	372.42

A copy of the balance sheet should appear in the next Circular. The Treasurer's Report was accepted and thanks given by the Chairman.

Election of Officers 1996/97: The following  
were elected -

President - T. Pickles  
Vice Presidents - J. Futtler + D. Birchall  
Hon. Secretary - W. Graham  
Treasurer - M. Twigg  
Editor - D. Birchall  
Racing Sec. - J. Futtler  
Captain - C.R. Griffiths  
Vice Captains - G. Catherall + C. Werner  
100 Sec. - T. Pickles  
25 Sec. - C.R. Griffiths  
NETCA - J. Futtler + C.R. Griffiths  
RTTC - K. Drum + W. Graham  
BCF - D. Bassett  
RRA - S. Twigg  
NRRA - D. Birchall  
Social Sec. - T. Williams

Committee: E. Davies, H. Moore, L. Nichols,  
D. Rees, B. Bird, G. Williams, D. Edwards

Following the election of Officers the Racing Secretary expressed some disappointment at the lack of participation by club members in open competition. G. Thompson and B. Griffiths had been successful in the club events and G. Catherall had been the first Afielder to complete a 12 hr race for some years. Further discussion on racing matters identified an urgent need for race warning signs to be used in Afield B.C. Time Trial promotions. Stuart Twigg

mentioned Impsport as possible suppliers.

David Birchall proposed a vote of thanks to Mike Twigg the outgoing President, for all his successful efforts in supporting and promoting the interests of the the Afield B.C.
